Face to Face MEPAG meeting in Feb/March/April 2017

- We are avoiding these dates:
  - 2020 Landing Site Workshop (Feb 8-10), 2020 CDR (Feb 14-16)
  - IEEE (Mar 4-11)
  - LPSC (Mar 20-24), CAPS (Mar 28-30), EGU/AbSciCon (Apr 23-28)
- Promising options
  - Feb 22-23 (week after Mars 2020 CDR); may conflict with Planetary Science Subcommittee (PSS)
  - Mar 1-2 (week running up to start of IEEE)
  - Apr 4-7 (2-week pad against LPSC and EGU/AbSciCon)
- Possible agenda items are being discussed
  - Please forward suggestions to MEPAGmeetingqs@jpl.nasa.gov

NOTE ADDED BY JPL WEBMASTER: This content has not been approved or adopted by, NASA, JPL, or the California Institute of Technology. This document is being made available for information purposes only, and any views and opinions expressed herein do not necessarily state or reflect those of NASA, JPL, or the California Institute of Technology.

Thanks to Serina Diniega, Lindsay Hays, and James Ashley for ongoing critical support of MEPAG activities

Thanks everyone for attending
